BINARY TREE™
Powering Enterprise Transformations®

## POWER365®
POWERED BY BINARY TREE

Powerful and efficient cloud- based, tenant-to-tenant transformations

Leading high-velocity email and content migrations and robust integration between Office 365 tenants, Power365® delivers a smooth and efficient transformation—all while keeping focus on a premium user experience with uninterrupted productivity. Built on Microsoft's Azure cloud services platform, Power365 gives your organization a secure, compliant migration experience, solving even the most complex, enterprise transformations. Whether you are completing a merger or acquisition or maintaining tenants across the globe, Power365 can help.

The Power365 software-as-a-service platform has three tiers that provide a complete tenant-to-tenant transformation while also giving you the flexibility to choose solution best for your organization:

Migration — Mail · OneDrive · SharePoint

Integration

Integration Pro

Power365® Cloud Platform — Windows Azure

Office 365 · Office 365 · Office 365

MIGRATION

〉 Provide mailbox migration for Office 365, and on-premises or even hosted Exchange

〉 Full-fidelity, multi-pass mail migration, auto-directing end-user profiles to new targets

〉 Optional SharePoint and OneDrive workload migration

INTEGRATION

〉 Complete and flexible directory synchronization, mail and calendar workflow and free/busy lookups

INTEGRATION (continued)

〉 Includes Migration

〉 Includes public folder migration with one-way synchronization, including all content and permissions

INTEGRATION PRO

〉 Includes Power365 Integration

〉 Sharing or moving email domain names—or even a new domain— between tenants without downtime or disruptions to end-users

Key Benefits

End User Focus
Avoid Interruptions to end users and productivity

Azure Security
No data leaves Azure, increasing security and compliance

Scalability
Built to fit all sizes of M&As and other transformations

Flexibility
Choose the option best suited for your migration project

	Migration	**Integration**	**Integration Pro**
