## What's New

Directory Sync Pro 20.1 includes bug fixes and enhancements. The directory synchronization functions for Domino environments have been removed from this version and are now supported by a separate version of Directory Sync Pro.

The release version number represents the year and month of the release (20.1). The last GA release of Directory Sync Pro was 19.8 released in August 2019 and before that was 19.4 released in April 2019.

## Version 20.1 Release Notes

- An issue where passwords could be viewed in clear text in Directory Sync Pro has been resolved. (8330)
